

ANZICA COUNSELLORS OFFERING INDEPENDENT**PRIVATE PRACTICE COUNSELLING**

ANZICA members are clinical psychologists, psychologists and social workers with specialist knowledge and experience in helping patients cope with the emotional aspects of fertility treatment.

Many of our members are employed by fertility clinics and if you are currently having treatment you may be able to receive support from the clinic counsellor.

Below is a state by state list of ANZICA members who have indicated they are able to offer counselling services independently in their private practice.
